<p>The District shall consider having a number of budget meetings in Spanish and Haitian-Creole.</p>	<p>2</p>	<p>Utilizing the Translation Feature in Zoom, the district provided budget meetings for interested community members in both Spanish and Haitian Creole. This feature, available through a partnership with NERIC BOCES, allows the district to add up to 9 language translations to a single zoom meeting. Participants choose what language they would like to hear upon joining the meeting. Participants choosing Spanish or Haitian Creole will only hear that language, not English. Budget Workshops were scheduled for: February 10th, March 10th, March 17th, and April 14th in 2021. Similar dates will be scheduled for 2022 and will include translation. <p>Per usual requirements for revenue anticipation loans, the Library must demonstrate that the funding is required. The goal should be for the Library to plan, so that these annual loans are no longer needed and the financial relationship of the two entities is more distinct, as is the case in other communities.</p>	<p>2</p>	<p>For any Tax Anticipation Notes, the Library will provide the necessary documentation to substantiate the need for such funding. This process will provide the appearance and evidence that the two entities are separate and distinct from each other.</p>
