

York State d U L Y license

All programs choosing to utilize a driving school will need to submit a [DE-1A](#) with all necessary documentation to NYSED in order

Any programs previously utilizing a driving school that intend to transition back to in-person, laboratory instruction will need to submit a [DE-1A](#) identifying how instruction will be implemented and provide appropriate MV-283 credentials for classroom teachers providing laboratory instruction.

All health and safety procedures need to align with LDOH guidelines. All questions regarding distancing, PPE, and cleaning procedures should be directed to LDOH.

Additional questions or concerns may be directed to [EMSCDRVED@nysed.gov](mailto:EMSCDRVED@nysed.gov).
